Plan
2018

Most people
want to grow
spiritually
and in their
relationship
with God.

One of the key ways to do this is to regularly read God's Word. If we wait for a weekend gathering or a Connect Group in order to get fed, we will become weak in our faith. Imagine eating only twice a week!

It is a sign of Christian hunger, thirst and maturity to feed daily on God's Word. Spending time in His Word is time well spent as His Spirit pilots, corrects and nourishes us.

In 2018 we want to discover the central story of God's Word through reading stories from throughout the Old & New Testaments.

Consider SOAP Journaling

Step 1 – Scripture

Ask the Holy Spirit to speak to you, read a passage of scripture and write down a verse or two that jumps out to you.

Step 2 – Observation

What are your personal observations that you note from this scripture?
Write questions that come to mind.

Step 3 – Application

How does this now apply to your everyday life? What can you do to apply this in your life today?

Step 4 – Prayer

Write a personal prayer based on your observation and application.
